University of Zurich
VP Edu / Individuelle Lehrveranstaltungsevaluation
To the instructors of the course:
"Financial Reporting (L+E)" (Vorlesung mit integrierter
Übung)

Zurich in spring 2024

Evaluations of Teaching: Evaluation Report, Spring Semester 2024

Dear instructor(s)

Hereby you will find your evaluation report on results of your course:

„Financial Reporting (L+E)“ (Vorlesung mit integrierter Übung)

The report contains frequencies of particular satisfaction aspects. Thus, features which need improvement from the students' perspective become recognizable. The satisfaction items with a scale show how satisfied the students are with the course overall. Furthermore, there are student comments included, if available.

Please feel free to contact us if you have any questions.

Sincerely
Quality Management Education & Teaching

Questions on the tutor

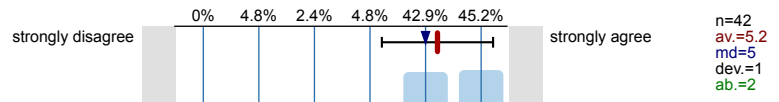

...explains complex matters in an understandable way.

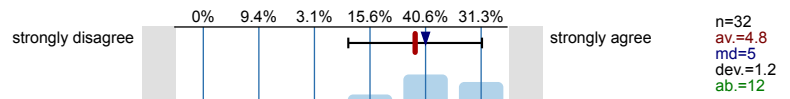

...is very responsive to the students.

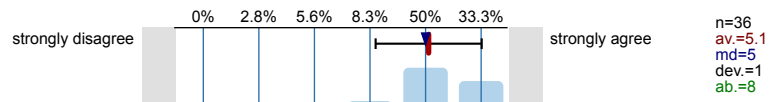

...answers questions competently.

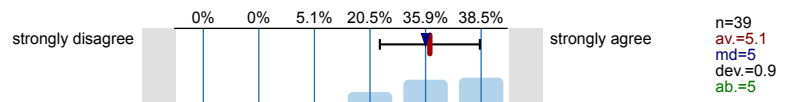

...gives constructive feedback.

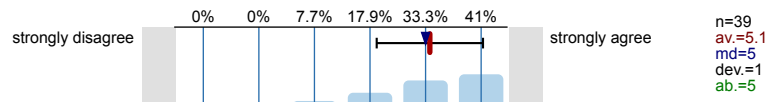

...offers enough support in the learning process.

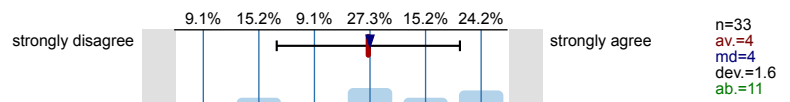

...offers enough support when solving problems.

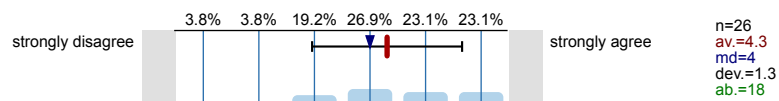

...gives the tutorials a clear structure.

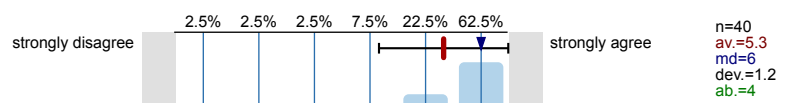

...actively involves students (e.g., lets them present their solutions).

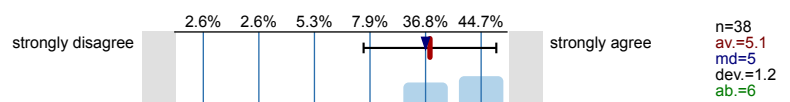

...is capable of moderating discussions.

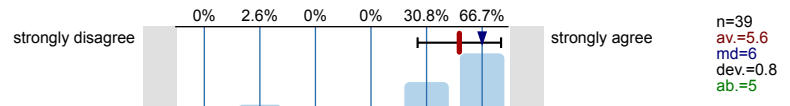

...makes helpful use of media aids (e.g. slides, projector, online media, computer).

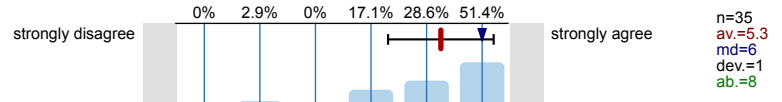

...creates an atmosphere in which I can express myself freely.

...fulfills their role as a tutor.

...is able to find the balance between authority and collegiality

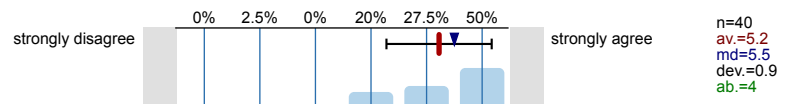

Do you have any further comments or suggestions for the tutor?

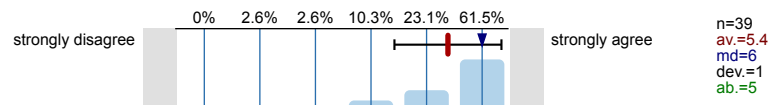

- Die Tutoratsstunden sind hilfreich für zur Erarbeitung des Stoffs. Jedoch bin ich der Meinung, dass der Kurs Financial Reporting keinen Mehrwert für das Studium bietet. Die besprochenen Themen sind zu 80% in anderen Fächern abgedeckt. Eine Reevaluierung diesen Kurs als Pflichtmodul anbieten zu müssen wäre meiner Meinung nach dringend nötig.
- It does not make sense to have the entire class to be in english but then have german guest speakers, it makes it hard to follow along with some lectures as I dont speak german. It wouldve been better if it was clear at the start if the class will be fully english or fully german
- sehr gute Erklärungen!
- Sie sollte mit einem Laptop arbeiten. Man kann die Handschrift auf dem Video und auch im Saal mit beamer nicht sogut lesen (schöne Handschrift, aber zu verschnörkelt). Ich war jeweils im Saal und habe aber nicht alles mitschreiben können, so fiel mir das nacharbeiten sehr schwierig. Auch ist mit dem Visualliser der Kontrast sehr schlecht. Sie macht auch nicht so einen sicheren Eindruck wie z.B: Jan bei einem Zoom-Meeting.
- Since I don't speak german i cant understand what it says above and below. This was also a problem with the guest lecturers, the course was upposed to be in english but then when i arrived at the guste lecture they speak german. At least tell us that so we dont have to go
- zu viele Übungen in zu kurzer Zeit, weniger Gastvorträge und dafür mehr Übungssessions wären sinnvoll.

Overarching questions

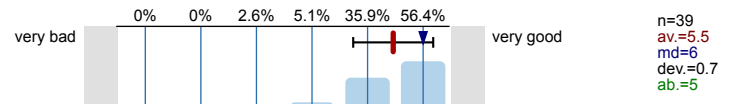

The tutorial gives me the opportunity to practically try out the content of the main lecture.

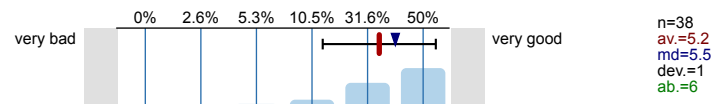

The tutorial provides important support for exam preparation.

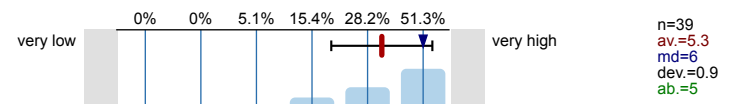

The coordination of the content of the tutorial with the main lecture was...

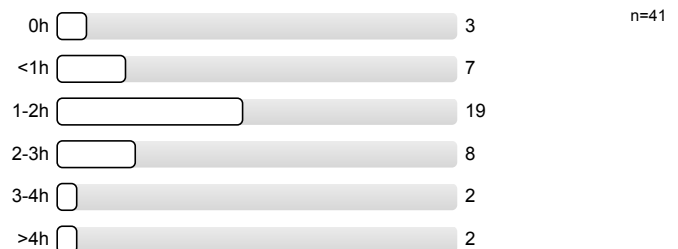

The coordination of the timing of the tutorial with the main lecture was...

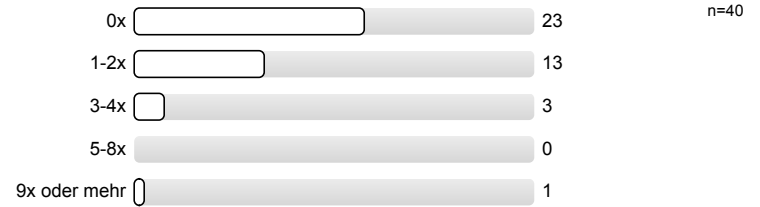

How do you rate the value of this course with regard to the main lecture ?

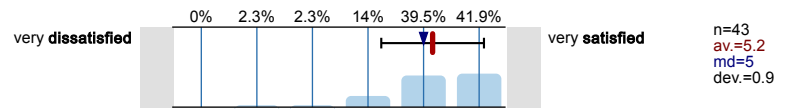

How long was your average preparation time before and after the tutorial per week?

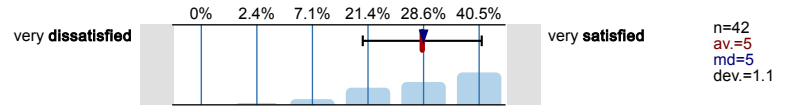

How often did you miss this tutorial?

How **satisfied** are you with the tutor overall?

How **satisfied** are you with the tutorial overall?
